

ELITE **DIRECT SUN** LINE Outdoor TV Enclosures

Take Home Theater Outdoors in the Sun and Under the Stars – Your Way!

Features

NOTE: Selecting a TV brand with the best brightness levels is suggested to achieve the best picture quality possible for competing with high ambient light.

- Direct sun models are designed to “Protect” your TV from solar loading when installed in direct sun.
- All aluminum powder coated construction for durability and style
- **Internal laminated IR film to anti-glare safety tempered glass to shield TV from harmful UV and IR rays**
- Tight Seal technology seals your TV against rain, insects and dust
- Thermostatically controlled and filtered air-flow system protects our TV up to 122° F (50°C)
- **Cross flow fans in front cover to stream airflow between TV and front glass to further protect TV**
- Down-facing sound ports maximizes TV audio from back and down firing speakers
- Watertight cable cover protects cable connections to our TV inputs and outputs
- Internal 3-outlet power bank powers fans, TV and one auxiliary plug for media accessories.
- 9’ outdoor rated power cord for safe outdoor installation
- EZ mount internal TV swing brackets for simplified installation and easy cable management
- 1’ extension power cord to accommodate internal connection of power packs or right-angle plugs
