All-Weather Direct Sun Outdoor TV Enclosure

Model 6560

Available with a weatherproof mount of your choice.

(See mount drawings and specs at www.apolloenc.com.)

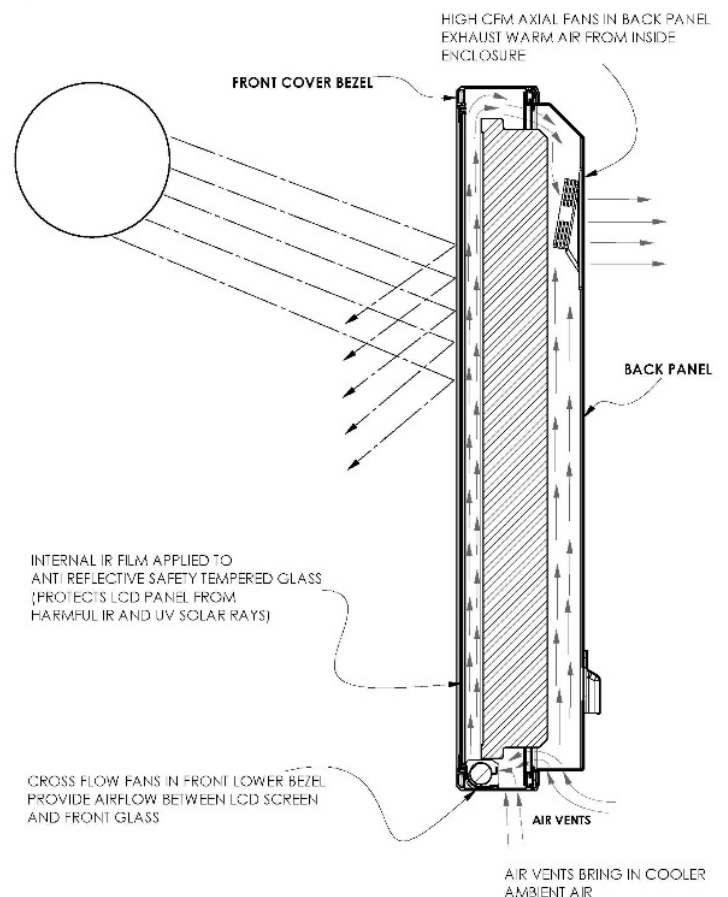

Complies with:
UL/CSA 60950-1
UL/CSA 60950-22

Features

- All aluminum powder coated construction for durability and style.
- Anti-reflective safety glass reduces glare and enhances contrast.
- **Internal laminated IR film to AR tempered glass protects LCD panel from harmful IR and UV solar rays.**
- Tight-Seal technology seals your TV against rain, dust, and insects
- Temperature controlled, dual filtered air-flow system protects your TV in temperatures up to 122°F (50° C)
- **Cross flow fans in front cover lower bezel provide airflow between LCD screen and front glass.**
- Down-facing Sound Port transfers TV speaker audio effectively
- Watertight cable cover protects cable connections to your TV inputs and outputs.
- 9' outdoor rated power cable for safe outdoor installation
- EZ mount internal TV swing brackets for simplified installation and easy cable management.
- 1' extension power cord to accommodate internal connection of power packs or right-angle plugs
- Apollo all-weather full-motion wall mount, non-articulating wall mount, or adjustable height (28.44" - 48") ceiling mount with tilt and swivel features is available for this model.
- Standard color in Black, with three designer color options
